

Voly Volunteer Program for RISD and LHHS Choirs

Dear Richardson ISD/LHHS Choir Parent,

We are very excited to announce that Richardson ISD will be implementing a new volunteer management system designed to both keep you informed and make volunteering at your student's school fast and simple! This fall, all campus volunteer opportunities will be posted on VOLY!

All you need to do is create a user account in VOLY (<http://risd.voly.org>), wait for your background check to be confirmed, and then sign up for opportunities to help on campus. . . it's that easy!

Please note that when creating your VOLY account, you will need to use your legal name as it appears on your driver's license to ensure the background check records match. It may take a up to 24 hours to have your background check confirmed. **You will receive an email from VOLY notifying you when the process is complete. This email will also provide instructions regarding how to log into VOLY.**

If you have any questions, please contact Claire Daniels at Claire.Daniels@risd.org

Thank you for your willingness to serve our great school system and we look forward to seeing you around campus!

Best Regards,

Kari Gilbertson
